**BOOSH NEWS**

**BOOSH IS MAKING MUSIC!**
Jarrod is enjoying sharing his skills and teaching the children how to play the ukulele. With our increased numbers Jodie is assisting when needed. We appreciate the fact that Jodie is able to share and pass on her new skills to the children also.
Learning and remembering their cords has seen the children progress very well. Their rendition of “The Lion Sleeps Tonight” sounds like the real deal.
Our collection of musical instruments will soon swell to 8 ukuleles, 3 guitars and a keyboard - music to our ears!

Safe Lunchboxes

In most cases, food is stored in lunch boxes for several hours, so the lunch box needs to stay cool.

Food safety suggestions include:

- Choose an insulated lunch box or one with a freezer pack, or include a wrapped frozen water bottle to keep the lunch box cool.
- Follow hygienic food preparation methods. This is especially important when food will be stored in the lunch box for many hours before eating.
- Perishable foods such as dairy products, eggs and sliced meats should be kept cool and eaten within four hours of preparation. Don’t pack these foods if just cooked. First cool in the refrigerator overnight.

Healthy Wraps Recipe

Ingredients:
- 1 cup wholemeal self-raising flour
- 1 cup white self-raising flour
- ¼ cup olive oil
- 1 cup warm water
- Pinch of sea salt

Method:
- Place flour and salt in a bowl. Make a well in the middle and add olive oil and half the water.
- Mix together until a dough starts to form, add the rest of the water as needed.
- Knead for a few minutes until the dough comes together.
- Split into approximately 8 small balls and leave to rest for 15 minutes.
- Roll out each ball into a round flat shape.
- Heat frypan on medium heat and lightly drizzle some olive oil. When warm place wraps in, one at a time, cooking for approximately two minutes on each side.

The wraps can be eaten warm with healthy fillings, frozen and used to make wraps for lunchboxes or slow baked in the oven to make chips for dips.
