PRINCIPAL’S COMMENT

Board Of Studies Registration

Last week’s BOSTES visit was very successful for our school. The inspectors were impressed with what the school has to offer, in order to meet the requirements for registration.

Congratulations to all the Beechwood Staff, for their efforts in preparing the documents and data for the registration process. Great Work everyone!

Please see below two letters from the Director of Education, Mark Youngblut.

Dear Maurice,

It was great to visit Beechwood Public School with the BOSTES registration officers earlier today.

They and I were very impressed by the rich learning experiences that are being provided to your students.

It was easy to see how curriculum outcomes are being delivered through teaching programs and how student achievements are being tracked. The work samples which you shared with us clearly demonstrated the high standards set and achieved at the school.

Thanks for sharing your documentation about Student Welfare and Work health and Safety, all of which were exemplary.

It was also fantastic to talk to some of your students who were polite, articulated and very talented.

Please pass on my thanks and congratulations to your staff on their excellent work. I’d like to also thank you for your outstanding leadership.

Regards,
Mark Youngblut
Director – Public Schools
A letter from Mr Youngblut to all Hastings Schools:

Dear Colleagues,

Please join me in congratulating the Beechwood Public School team on successfully completing their BOSTES school registration inspection yesterday.

Each year 20 Public Schools work through this process on our behalf.

There were two parts to this;

1/ Demonstrating that all staff are appropriately trained, have completed all mandatory training and that WH&S requirements are all in hand.

2/ Demonstrating that there is a documented connection between the curriculum (scope and sequence), timetables, class programs, work samples, evaluations and supervision.

All were very clearly demonstrated by Maurice and his fantastic team.

Maurice, please thank your staff on our behalf,

Regards,
Mark Youngblut
Director – Public Schools
